PARENT CODE

- I will pray earnestly for Old Union School.
- I will cooperate fully in the educational programs of the school.
- I will pay all of my financial obligations to Old Union School on or before the due date. If I am ever unable to pay on time, I will notify the school administrator in advance giving a reasonable explanation for the delay, and stating when payment can be made.
- I will make every effort to assist with and attend all fundraising events (i.e. Fall Festival, BBQ/ Auction).
- I will make every effort to attend all required meetings (i.e. Orientation Night, Parent/Teacher Conferences).
- I will always seek to resolve issues of clarification, concerns, or grievances with the person or persons involved, in accordance with Matthew 18, and refrain from gossiping or spreading criticism.
- I will agree to live by the Christian moral standards of the school including honoring the sanctity of marriage. Cohabitation of adults without the commitment of marriage is grounds for a student's dismissal from the school. The moral standards of the school are in agreement with all of those defined by Scripture.
- I will seek the advancement of Old Union School—spiritually, academically, physically, and financially.
- I will recommend Old Union School to other families as appropriate opportunities arise.
- I understand that: (1) the school has final discretion for the grade and class placement of my student; (2) the school has final discretion in the discipline of my student within the bounds of disciplinary policy; and (3) the school reserves the right to dismiss any student who does not cooperate with the educational process.
